

A New York Pathwork Weekend

At the Menla Center in Phoenicia, NY

September 12 – 14

An Invitation to Enter into the Dance of Life With Pathwork Helper Barbara Azzara

In our time together I will provide a road map for you to remember who you are and for you to open your heart to yourself, to each other and to the Beloved.

We will embrace the “Teachings of Spirit,” practice silence and meditation, visualize our deepest longing, and deconstruct our images and false beliefs in a safe environment. We will enter into the “forgetting” by using our breath as the inspiration to open us to the Life Force.

We will stand in the “Not Knowing,” witnessing the mystery of G-d’s will, surrendering ours.

Together we will be witness to the G-d within each of us...entering into the Oneness... singing, dancing and loving it all.

Join me as we practice the Art of Falling in Love with Your SELF

The essence of Reverend Azzara’s Ministry is to “Teach only Love. Love is all there is. Fear is the final addiction on this planet.” She is a most reverend disciple in The Ministry of a Loving Life. Her work is her love made manifest, and she seamlessly joins together the teachings of The Pathwork Guide, Emmanuel, A Course in Miracles and the Twelve Step Program.
