The Pathwork Lectures we will focus on this Module 3 weekend will be :

L 130 Finding True Abundance By Going Through Your Fear (Abundance Versus Acceptance)

L 205 Order as a Universal Principle

L 250 Inner Awareness of Grace – Exposing the Deficit

Our relationship with money reveals our deepest degrees of separation as well as our true faith in life. Money, like sex, can be a compelling screen covering past wounds, unmet needs, issues around control, security and authority, and ultimately trust in Life.

Conflict, shame, avoidance and compulsion that surround money can obscure the radical and simple gesture of Surrender to Life, which can open the door to the Infinite Treasury, which is our True Nature.

All too often, especially in spiritual circles, frank discussion of finances is taboo. In this Module we will explore compassionately, mindfully, playfully and fiercely our contractions and flows around money as a barometer to the “immeasurable abundance that is available to all humans.”
