We provide an atmosphere that encourages communicating honestly, making the unconscious conscious, claiming our greatness, being self-responsible and exposing the lower self as a means of transforming it. We are a community of souls who are learning and living the Pathwork lectures with the intent to grow towards our Godselves. We bring the teachings into our every day lives, uncovering and expressing more and more of our divine essence. If you would like to become a member please go onto our website www.pathworkny.org and click on membership and donations for instructions. Payments can be made in a once yearly payment or via PayPal on a monthly basis. We welcome everyone willing to join us on our journey to ourselves
